

EDUCATION

□ COURSES

Several courses are delivered, in presence or by correspondence, by the Health Humanization Centre (CEHS), and requested by several socio-sanitarian institutions, taking place in our installations, in any other zone of Spain or in a foreign country.

□ MASTERS AND POSTGRADE

“Master in Personnel Counselling Formation”, and the post grade “Management of Residences and Services for Old Persons”, are delivered in collaboration with the Ramon Llull University

□ MIDDLE GRADE AND PROFESSIONAL OCCUPATION

“Infirmery Auxiliary Care Technicians”. A professional middle grade license issued in agreement with the Education Department of Madrid Autonomous Community.

Collaborator Centre with the National Plan of Education and Professional Occupation. It delivers several courses related with the socio-sanitarian attention, in coordination with the Employment Regional Service of the Madrid Community Work Department.

□ MEETINGS

“Health Humanization National Meetings” take place every year. Yearly “Alzheimer Meetings” are also in place in the city of Tres Cantos, and seminars and other meetings are also held.

□ DOCUMENTATION

The CEHS promotes the investigation and participation in different publications over health humanization. More than 40 issues have been published. There is also the bimonthly magazine HUMANIZAR and a web page: www.humanizar.es
